27. (Unclassified - LJK) LIAISON Spoke with James Fellenbaum, Senate Appropriations Committee staff, regarding a question he had resulting from the delivery on 23 February of a listing of specific reductions in the NFIP ordered by the new Administration. Fellenbaum specifically asked if the reduction in the ERRS system affected the reprogramming notice that the Senate Appropriations Committee had received earlier this year. After checking with [redacted] IC Staff, I informed Fellenbaum that the reduction had affected the reprogramming and he would be receiving additional information when all the figures were put together.

28. (Unclassified - LJK) LIAISON Received a call from William Anderson, Legislative Assistant to Senator Clarence Long (D., Md.). Anderson requested any figures the Agency has on expenditures by the [redacted] Anderson wanted unclassified figures if they were available. I told Anderson I would get back to him on this and called [redacted] CPS, to request any available information.

29. (Unclassified - GLC) LIAISON During his visit to the Agency for a breakfast session of members of the House Armed Services Intelligence and Nuclear Energy Subcommittee, Representative Jack Brinkley (D., Ga.) asked me to contact [redacted] an Agency employee, who is both a friend and constituent of his, to tell him that he had been to the Agency and had hoped to see him but time would not permit. Mr. Brinkley wanted to extend his best wishes to him. I subsequently called [redacted] who is an employee [redacted] and passed this message to him.
